Letter No.105 dated 8th September 1933 from the Agent, Mysore Railways, regarding Refreshment Rooms on Mysore Railways.

---

1 The Agent states, that the Municipal authorities in Mysore and Chickballapur insist on license being taken out by the Refreshment Room contractors and that in such cases, the Madras Government have ruled that the Railway Department is not liable to take out licenses for the working of Refreshment Rooms whether under direct management or under arrangement with a contract.

2 As these rooms are worked under contracts with the Railway Department, for which a suitable fee is levied by Government and it forms the revenue of the Railway, the Agent requests approval for issue of a ruling in Mysore, similar to that of the Madras Government.

3 The Chief Secretary to Government may perhaps be consulted in the matter.

I have the honour to state that the Municipal Authorities in Mysore and Chickballapur insist on license being taken out by the Refreshment Room Contractors for the Refreshment Rooms at these stations.

These rooms are worked under contracts with the Railway Department for which a suitable fee is also levied by the Government and it forms the revenue of the railway.

In such cases, Government of Madras have ruled that the Railway Department is not liable to take out licenses to arrange for the working of Indian Refreshment Rooms whether under direct management or under arrangement with a contract.

I request you will be so good as to obtain approval of Government for issue of a similar ruling in Mysore.
